

New Scotland Conundrum

5x32 bar Reel

- 1-8 1s and 2s, 3s and 4s turn half way by the right hand, flowing into right hands across half way, flowing into a full turn by the right hand, finishing facing partner's first corner
- 9-16 1st and 3rd couples dance corners pass and turn with first corners then second corners, passing right shoulder in the middle and finishing facing own first corners
- 17-24 1st and 3rd couples set to corners and partner
- 25-28 1s and 3rd couples cross over giving right hands and cast off one place
- 29-32 1st and 3rd couples dance half a figure of eight around 2nd and 4th couples respectively (the couples above them)

Repeat from new positions

Written for a New Scotland class where I was planning on working on hello-goodbye setting, but didn't know how many couples I would have. I was planning on using Major Ian Stewart, but thought I might end up with five couples so I wrote this variant.
